

LETTER OF GUARANTEE

For the purpose of the section 303 (c) (2) of the Federal Food, Drug and Cosmetic Act (the Act) and for no other purpose, MB Food Processing, Inc./MB Consultants, Ltd (USDA Establishment# P-18414), selling product as Murray's Chicken hereby guarantees that, as of the date of each shipment by it to you of any product labeled "Food Grade" such product is not, when shipped, adulterated or misbranded within the meaning of the Act. We further guarantee that, as of the date of each shipment, no such product is an article, which may commerce. This guarantee shall also apply under substantially identical state or municipal regulations.

We guarantee that all of Murray's Chicken products are processed in accordance with all USDA, FSIS rules and regulations (Poultry Products Inspection Acts, Modernization of Poultry Slaughter Inspection, various Parts of the 9 CFR, including but not limited to Part 381). Specifically, 9 CFR 417.4 requires that USDA inspected establishments validate, verify and reassess their HACCP plan's adequacy in controlling the food safety hazards identified in the in the establishment's hazard analysis. The USDA regularly verifies that the HACCP plan is being implemented effectively.

This guarantee shall, however, be void and of no effect in any instance where the particular use by you and your customer of any product to which this guarantee would otherwise apply, is a use which is not in accordance with the requirements of the Act or applicable laws.

By the acceptance of this guarantee, you agree to promptly notify us in writing of any demand, complaint, or proceeding within your knowledge for claimed violation of the Act, resulting from one in any manner arising out of such shipment, including the name and address of the complainant and the name of the product involved.

We further guarantee that all Murray's labeled product was raised according to Murray's Chicken's All Natural, Antibiotic Free protocol registered with the USDA and approved by such. The product has never been administered any antibiotics, growth promotants, ionophores, or fed animal by-products. Murray's Chicken raw whole chickens and parts are gluten-free. Murray's Chicken products are subject to periodic testing for endemic pathogens (including Salmonella, generic e.Coli and Campylobacter) in accordance with all USDA, FSIS rules and regulations (Poultry Products Inspection Acts, Modernization of Poultry Slaughter Inspection, 9 CFR Part 381). Murray's Chickens are also Certified Humane by Humane Farm Animal Care. All of Murray's Chickens are hatched, raised and harvested in the United States.

This guarantee shall continue in effect until such date as you shall receive from us, written notice of the revocation of the guarantee contained herein.
